CO PROGRAM SURVIVORS

Data and Testimonies collected by **Enthusiastic Sobriety Abuse Alliance.**

Most clients attend Outpatient between 8 - 16 weeks, Monday through Friday.

Next, they attend an additional Aftercare **Program for an average of 6 weeks.**

Clients are then required to be involved in the "Alternative Peer Group" for 2 - 3 years which requires biweekly meetings, weekend functions and only interact with fellow **Group members until Graduation. Staff are** recruited from their clientele and asked to attend Training at the Meehan Institute.
